

WE HEART HUDSON

Dog Days of Hudson!

Hudson has a special place in our hearts for dogs. Some of our businesses have water bowls on the sidewalks and others have furry friends working their shops. Throughout our larger community you'll find evidence that we love to pup it up!

START IN A PARK

They don't call us a Tree City for nothing. We have city, county, and state parks a plenty within our borders. You and your buddy can also take a self-guided tree trek and learn some things along your way. If you're looking to meet more four-legged friends, Hudson has a dedicated dog park for you. Each park will have different rules so make sure to follow leashing signs, and please clean up after your pup. Full list of parks on the next page.
