

Fall Color Guide

Did you know that Hudson, Wisconsin has been a Tree City USA Community for the past decade? One of the best parts about that is the celebration of color every autumn! If you enjoy the vibrant change in season as much as we do, you'll love our top five ways to soak in the season.

1

FLOAT DOWN THE RIVER

Enjoy a scenic river cruise with fall colors along the river. Guests can board with St. Croix River Cruises at Hudson City Docks, off of First and Walnut Street.

2

EXPLORE THE BEAUTIFUL PARKS

Head for the parks, we have so many to choose from! Birkmose Park and Prospect Park will give you good views. Lakefront is right along our downtown. Homestead Parklands has a great mix of lake life, walking paths, and playground equipment. Willow River State Park is famous for an outstanding waterfall.

3

SCENIC FALL WALKS

Take a stroll and soak in the stunning fall colors. Explore the Tree Trek, Lakefront Heritage Project, or the History Walking Tour for a scenic and educational experience.

4

SHOP LOCAL & WARM UP WITH SOME COMFORT FOOD

Come for our award-winning restaurants and outdoor patios! Many of our restaurants offer outdoor seating. Like true Wisconsites, they are keeping them open until it's too cold. For us, fall is never too cold. Continue your fall fun at a variety of local shops unique to Hudson.

5

DRIVE THE TRAIL

Travel the Yellowstone Trail in Hudson and St. Croix County. The Yellowstone Trail was the first transcontinental road that ran from Plymouth Rock to Puget Sound in the era before numbered roads and maps.
